As part of the overall **Transportation Demand Management plan of Integrated Protection Services - Parking, Access and Commuter Services**, a new staff shuttle service was introduced on May 6, 2013 at BC Children’s and BC Women’s Hospitals (C&W).

Six months after launching the new C&W Shuttle, the growing popularity of this service has necessitated the replacement of the 15-passenger van with a larger 24-passenger vehicle. The new C&W Shuttle started running on November 4, 2013. It safely and efficiently transports staff to and from

King Edward Canada Line Station, [C&W](#), and [C&W Off-Site Staff Lot](#), **free of charge**.
